| Do I have a termination fee or any fees associated with terminating service? | No                                                                                                                                                                                                                                                                                                                                                                                                      |
| Can my price change during my contract period?                               | Yes                                                                                                                                                                                                                                                                                                                                                                                                     |
| If my price can change, how will it change and by how much?                  | The price applied in the first billing cycle may be different from the price in this EFL if there are changes in TDSP charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control. |
| What other fees may I be charged?                                            | You will incur a fee of \$5.00 per billing period if you are not enrolled in Autopay. Information on other charges and non-recurring fees is available in the Pricing and Possible Nonrecurring Fees sections of the Terms of Service document.                                                                                                                                                         |
| Is this a pre-pay or pay in advance product?                                 | No                                                                                                                                                                                                                                                                                                                                                                                                      |
| Does Revolution Energy purchase excess distributed renewable generation?     | No                                                                                                                                                                                                                                                                                                                                                                                                      |
