

Electricity Price

| Oncor Delivery        |         |           |           |
|-----------------------|---------|-----------|-----------|
| Average Monthly Use   | 500 kWh | 1,000 kWh | 2,000 kWh |
| Average Price per kWh | 13.6    | 12.8      | 12.4      |

**These average prices are examples. Your average price for electricity service will vary according to your usage.**

The price you pay **per billing cycle** will include:

|   |                                                                                             |
|---|---------------------------------------------------------------------------------------------|
| 1 | The energy charge(s) below with applicable Oncor Delivery charges passed through at cost    |
| 2 | Applicable <b>non-recurring</b> fees from Oncor Delivery and/or from Revolution Energy      |
| 3 | All applicable taxes, fees and surcharges from ERCOT, the PUCT and any governmental entity. |

**ENERGY CHARGES**

|                                       |                          |
|---------------------------------------|--------------------------|
| <b>Revolution Energy</b>              |                          |
| Energy Charge:                        | 5.106 cents/kWh          |
| Base Charge:                          | \$4.00 per billing cycle |
| <b>Oncor Delivery</b>                 |                          |
| 6.8673 cents/kWh and \$4.06 per month |                          |

|            |                                                               |
|------------|---------------------------------------------------------------|
| Example #1 | If you use 300 kWh, you will be billed \$43.98 plus taxes.    |
| Example #2 | If you use 900 kWh, you will be billed \$115.82 plus taxes.   |
| Example #3 | If you use 1,776 kWh, you will be billed \$220.71 plus taxes. |

| Type of Product                                                              | Fixed Price                                                                                                                                                                                                                                                                                                                                          |
| Contract Term                                                                | 9 Months                                                                                                                                                                                                                                                                                                                                             |
| Do I have a termination fee or any fees associated with terminating service? | Yes; you will incur a \$175 fee if you terminate your service prior to the end of the contract term. No termination fee with proof of a move-out.                                                                                                                                                                                                    |
| Can my price change during my contract period?                               | Yes                                                                                                                                                                                                                                                                                                                                                  |
| If my price can change, how will it change and by how much?                  | Your price may be adjusted to reflect changes in Oncor charges; changes to Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside Revolution Energy's control. |
| What other fees may I be charged?                                            | You will incur a fee of \$5.00 per billing period if you are not enrolled in Autopay. Information on other charges and non-recurring fees is available in the Pricing and Possible Nonrecurring Fees sections of the Terms of Service document.                                                                                                      |
| Is this a pre-pay or pay in advance product?                                 | No                                                                                                                                                                                                                                                                                                                                                   |
| Does Revolution Energy purchase excess distributed renewable generation?     | No                                                                                                                                                                                                                                                                                                                                                   |
| Renewable Content                                                            | 24.7%                                                                                                                                                                                                                                                                                                                                                |
| The statewide average for Renewable Content                                  | 37.2%                                                                                                                                                                                                                                                                                                                                                |
